Description	Type	Part no.
Code for activating the SICK AppSpace functions. MicroSD memory card with 1 GB for industrial use.	SDK6U-P00100 SICK AppSpace	1076012
MicroSD memory card with 1 GB for industrial use. Contains Entry Management Software (EMS) and Entry Exit Config Software (ECS)	MicroSD-Speicherkarte	1072379
MicroSD memory card with 8 GB for industrial use	MicroSD memory card	4107724
Pre-configured SIM card for EU countries	Replacement SIM card	6068475
microSD memory card with 1 GB for industrial use	microSD memory card	4051366
microSD memory card with 2 GB for industrial use	microSD memory card	2044525
		4077575

## SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

**For us, that is "Sensor Intelligence."**
