Detailed technical data

Features

Accessory group	Mounting systems
Accessory family	Brackets
Suitable for	MRS1000, LMS1000, LRS4000
Material	Aluminum, powder coated
Items supplied	Mounting kit 1b 4 x M5 x 10 countersunk screws, stainless steel
Description	Simple mounting bracket with protective cover. Degree of freedom in Y: 11°.
Weight	785 g
Tightening torque	M5 max. 5 Nm
Mounting system type	Mounting bracket

SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

For us, that is “Sensor Intelligence.”
