Detailed technical data

Features

Accessory group	Mounting systems
Accessory family	Brackets
Description	Bracket base for constructing a TWINOX4 alignment bracket for 1 twin stick. For a complete bracket, additional angle brackets are required. The angle brackets determine the maximum alignment angle: ± 180° alignment using the long angle bracket (2140151) or ± 110° alignment using the short angle bracket (2140153).
Suitable for	TWINOX4
Material	Bracket material: stainless steel V4A (1.4404, 316L), Seal material: EPDM
Items supplied	<ul style="list-style-type: none"> 1 × Bracket base, stainless steel 1 × Seal for bracket base 2 × M5 screws, 25 mm, stainless steel 2 × M5 adjusting screw, 5 mm 2 × Sealing disk 5.1 mm 4 × Sealing ring 1 × Cable gland with seal
Mounting system type	Brackets

SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

For us, that is “Sensor Intelligence.”
