Instruction for installation Weatherproof housing

- ① Weatherproof housing (part number 2087690)
- ② Rain cover for protective housing (part number 2087695)
- ③ Alignment bracket (part number 2080392)
- ④ Dx1000
- ⑤ Front screen (part number 4090054)
- ⑥ Tube (part number 2087693)
- ⑦ Mounting variant, protective housing
- ⑧ Mounting variant, protective housing with rain cover for protective housing
- ⑨ Mounting variant, protective housing with rain cover for protective housing and tube
- ⑩ Mounting variant, protective housing with tube

SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

For us, that is “Sensor Intelligence.”
