

The SICK logo is displayed in a bold, blue, sans-serif font. The letters are thick and blocky, with a consistent weight throughout. The logo is centered within a white rectangular box that is itself centered on the page. The background of the page is a light blue gradient with faint, concentric circular patterns emanating from the center, suggesting a sensor's field of view or signal waves.

# Center axis mounting

## Lenses

**REFLECTORS AND OPTICS**

**SICK**  
Sensor Intelligence.

## SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

For us, that is “Sensor Intelligence.”
