RECHARGEABLE BATTERIES AND BASE STATIONS

Rechargeable battery

ORDERING INFORMATION

Type	part no.
Rechargeable battery	6041193

Further device versions and accessories at www.sick.com/Rechargeable_batteries

DETAILED TECHNICAL DATA

FEATURES

Product segment	Rechargeable batteries and base stations
Product	Rechargeable batteries
Description	Lithium-ion replacement battery for IDM radio scanners, voltage 3.7 V, electrical charge 2,600 mAh

CERTIFICATES

UN38.3 Test Summary Report	✓
----------------------------	---

Further information as well as suitable accessories, example applications and downloads such as CAD dimensional models, operating instructions and software can be found at www.sick.com/6041193

SICK AT A GLANCE

SICK is a leading global technology company for intelligent sensors and integrated solutions in industrial automation. Our technologies set benchmarks, making your industrial processes more efficient, safer and more sustainable – both in logistics and manufacturing operations.

SICK combines sensor intelligence with industry expertise and certified consulting services. We provide the ideal foundation for scalable as well as tailor-made automation solutions and create added value along the entire value chain. Our close partnerships with our customers are more than just a promise: Together, we optimize productivity, improve quality, protect health and safety, and help build a sustainable future. All with empathy and trust.

Since 1946, we have been developing innovative technologies with passion and a pioneering spirit. With a global network in around 40 countries, SICK has a global presence and is always close by. The company's headquarters are located in Waldkirch near Freiburg, Germany. Our customers benefit from our understanding of both local and global requirements, which enables us to deliver tailor-made solutions
