DETAILED TECHNICAL DATA

FEATURES

Accessory group	Mounting systems
Accessory family	Brackets
Description	Mounting bracket for MWS120 measuring wheel system and SPEETEC 1D laser surface motion sensors Mounting bracket for encoder with face mount flange
Suitable for	MWS120, NCV50 (in conjunction with BEF-WN-NCV50 mounting bracket part no.: 2117456)

DIMENSIONAL DRAWING

Dimensions in mm (inch)

SICK AT A GLANCE

SICK is a leading global technology company for intelligent sensors and integrated solutions in industrial automation. Our technologies set benchmarks, making your industrial processes more efficient, safer and more sustainable – both in logistics and manufacturing operations.

SICK combines sensor intelligence with industry expertise and certified consulting services. We provide the ideal foundation for scalable as well as tailor-made automation solutions and create added value along the entire value chain. Our close partnerships with our customers are more than just a promise: Together, we optimize productivity, improve quality, protect health and safety, and help build a sustainable future. All with empathy and trust.

Since 1946, we have been developing innovative technologies with passion and a pioneering spirit. With a global network in around 40 countries, SICK has a global presence and is always close by. The company's headquarters are located in Waldkirch near Freiburg, Germany. Our customers benefit from our understanding of both local and global requirements, which enables us to deliver tailor-made solutions
